**Sound Workshop:** CCT would still like to provide a sound workshop to train members on operation and set up of our sound system and running sound for a production. We recently purchased some new equipment and would like to have several people who have been trained on its operation. This is a great opportunity for churches who need to have trained sound people and for anyone who would like to learn something new! If you would be interested in participating in this program please contact any board member. We need to get an idea of how many people are interested participating. There will be more information on this as we get further into planning it.

**Correspondence Secretary's Notes:**

You may contact me by phone – (740) 701-1559 or email – [kdement@integratedservice.org](mailto:kdement@integratedservice.org) On an editorial note, I would like to ask everyone to come out and support the cast of *The Music Man*.
