### Other Notes:

**Sound Workshop:** CCT would still like to provide a sound workshop to train members on operation and set up of our sound system and running sound for a production. We recently purchased some new equipment and would like to have several people who have been trained on its operation. This is a great opportunity for churches who need to have trained sound people and for anyone who would like to learn something new! If you would be interested in participating in this program please contact any board member. We need to get an idea of how many people are interested participating. There will be more information on this as we get further into planning it.

### Correspondence Secretary's Notes:

This will be my last publication of *The Playbill*. Kim Dement will be taking on this responsibility and I know that she is going to do a fantastic job! I will remain your OCTA Delegate for CCT. If you need to contact me, please feel free to do so at: phone – (614)579-8959; email – [bloomdeece@aol.com](mailto:bloomdeece@aol.com). It has been a pleasure serving as your Correspondence Secretary and I hope that I have lived up to your expectations. On an editorial note, I would just say that if you have ever considered getting involved in *any* aspect of CCT, please let someone know of your interest. I know there is amazing talent, both on and off stage, in Ross County, and this is YOUR Civic Theater. Let's make it a great one! The Board truly does appreciate your input, so please speak up and let them know what you think! Have a great summer and don't forget to go see *The Music Man!* –Denise ☺
